Permits are valid for six (6) months after insurance unless extended by the Building Inspector.

Where work for which a permit is required is started or proceeded prior to obtaining said permit, the fees *shall be doubled*, but the payment of such double fee shall not relieve any persons from fully complying with the requirements of the 2003 IRC/2003 International Fuel Gas Code in the execution of the work nor from any other penalties prescribed herein.

I hereby certify that the information contained herein is true and correct. Falsification of this information is grounds for revoking the permit. All provisions of laws and ordinances governing this type of work be complied with whether specified here or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

*Required inspections:*

- 1<sup>st</sup> - Concealed
- 2<sup>nd</sup> - Rough – End
- 3<sup>rd</sup> - Final
